LEIGH HIGH
VINTAGE 1979
VOLUME 17
SAN JOSE, CA.

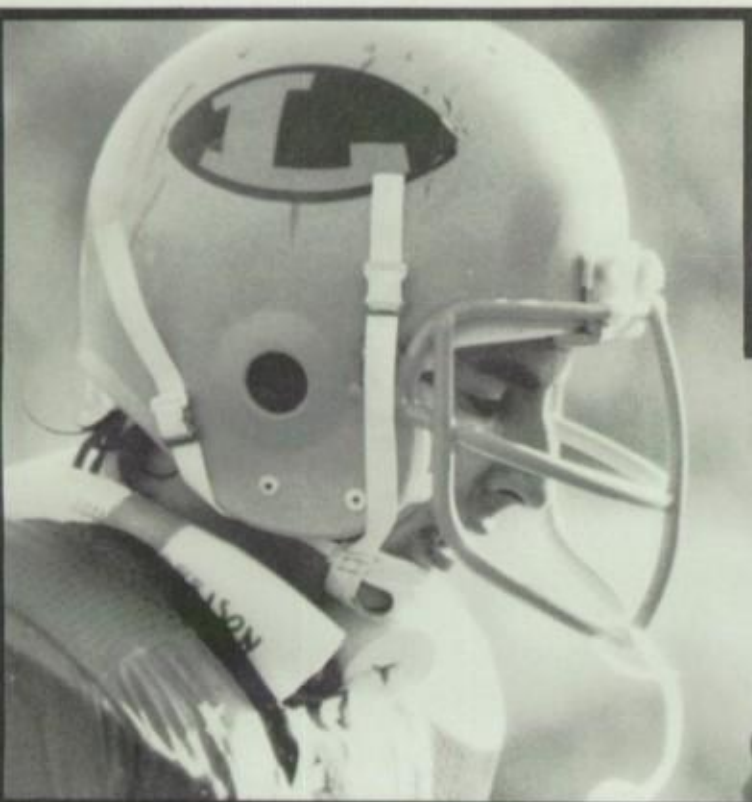

We are the
Longhorns

We come
from
Leigh

**We're here to bring home
another victory. Proud to be
wearing Green, Gold, and White**

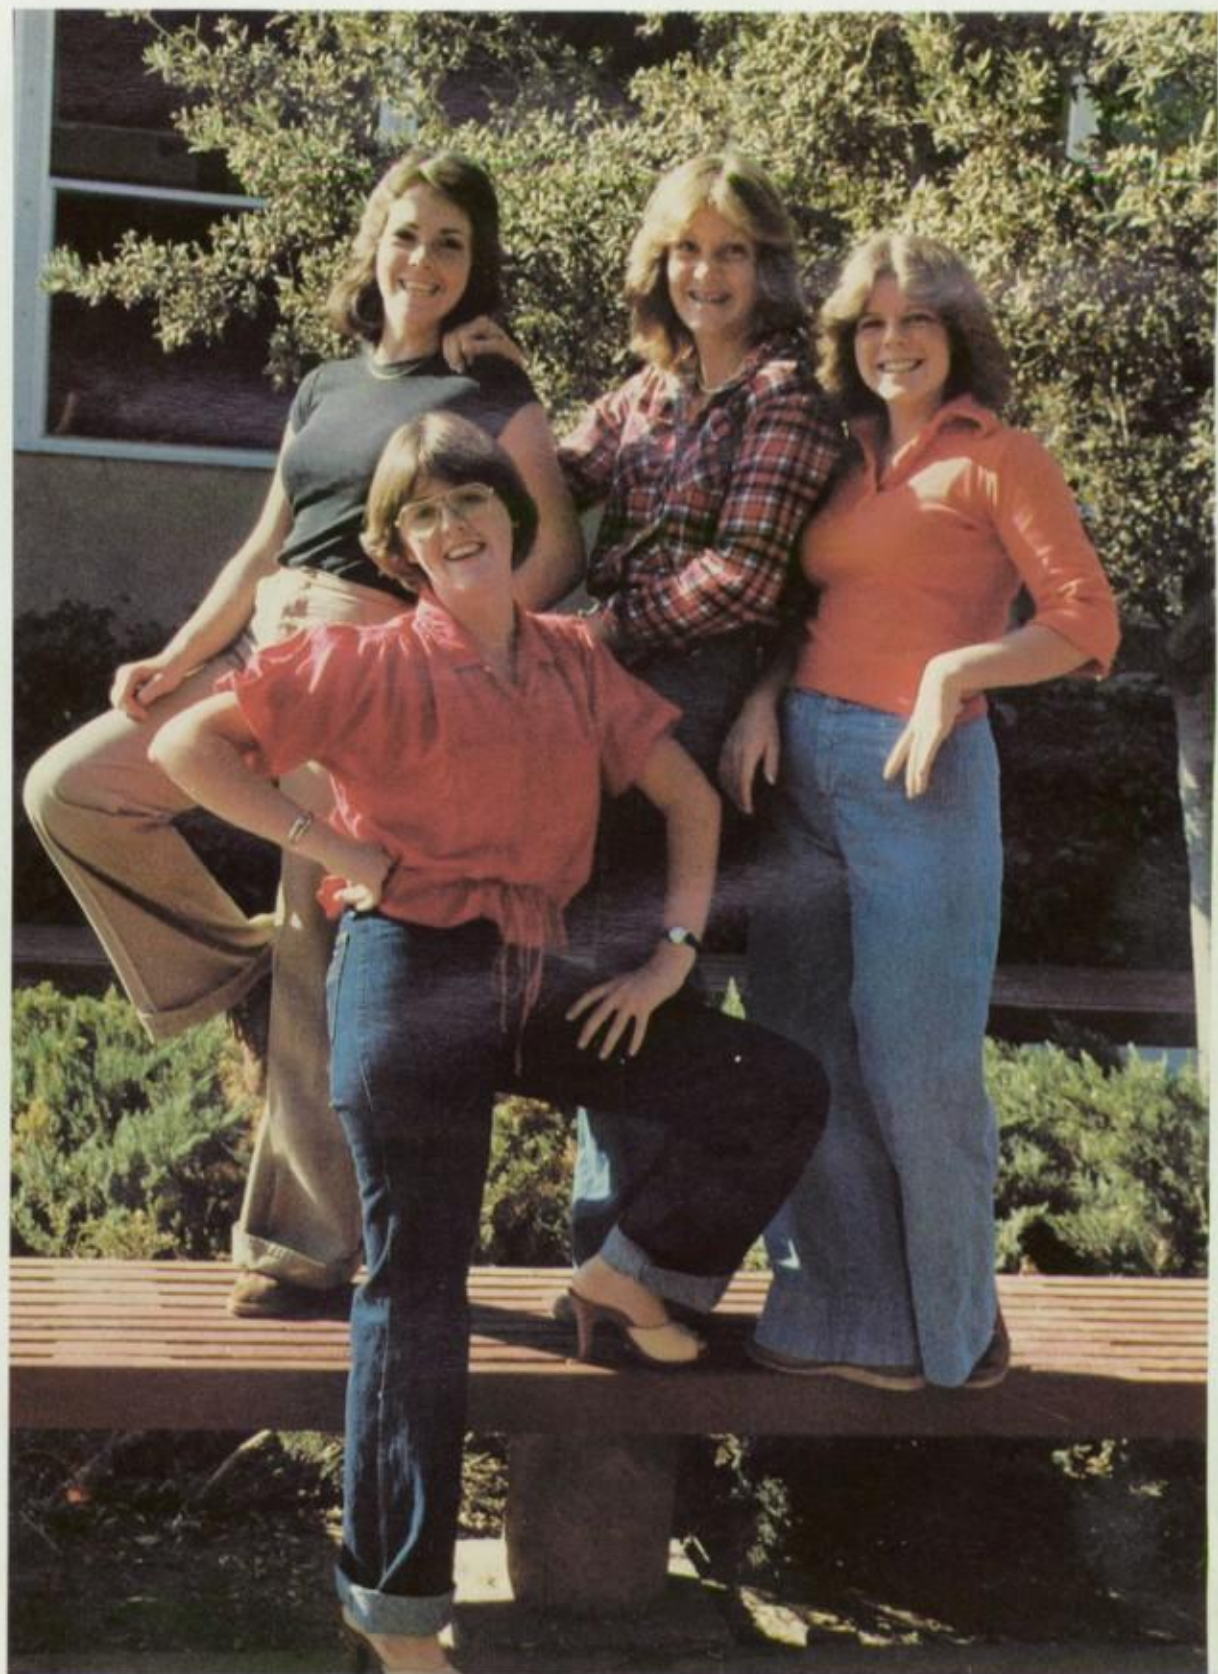

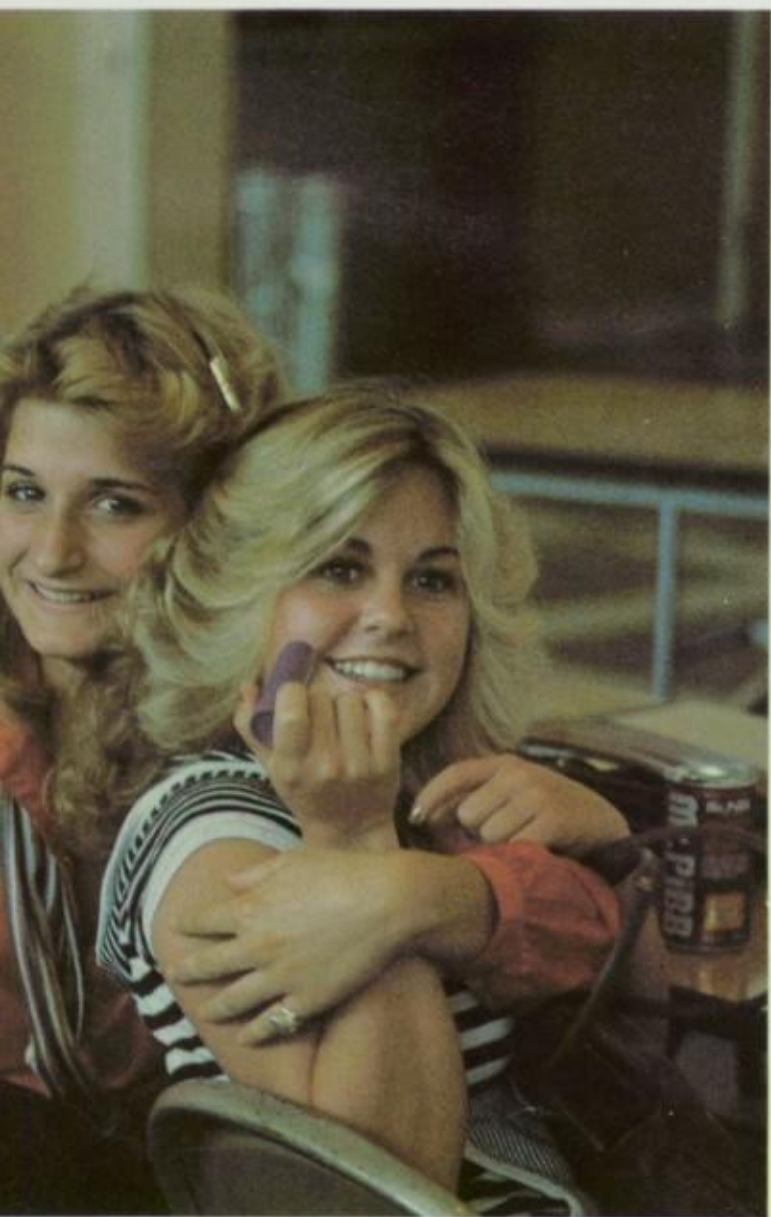

We'll prove every word we have
to say when we begin
to fight.

We're always standing . . .

DEDICATION

If tradition were to have held true, then this year's **Vintage** would have been dedicated to a teacher who, through his or her efforts, has demonstrated a genuine interest in students, on the whole, both in and out of the classroom. The years come and go so quickly, and the teachers remain. Seldom though, is there a class which, through its unity and spirit as a whole, is deserving of a dedication. This year's graduating class of 1979 is one of those such rarities.

Drawing from the strength of the group, the class of '79 has accomplished much. Consecutive victories in two Sports Days could only be bettered by their crowning glory: the Spirit Hall. Dave Eason, an outstanding senior artist, drew and painted the Longhorn mural in the gym, a fitting memorial to this class that has done so much for Leigh.

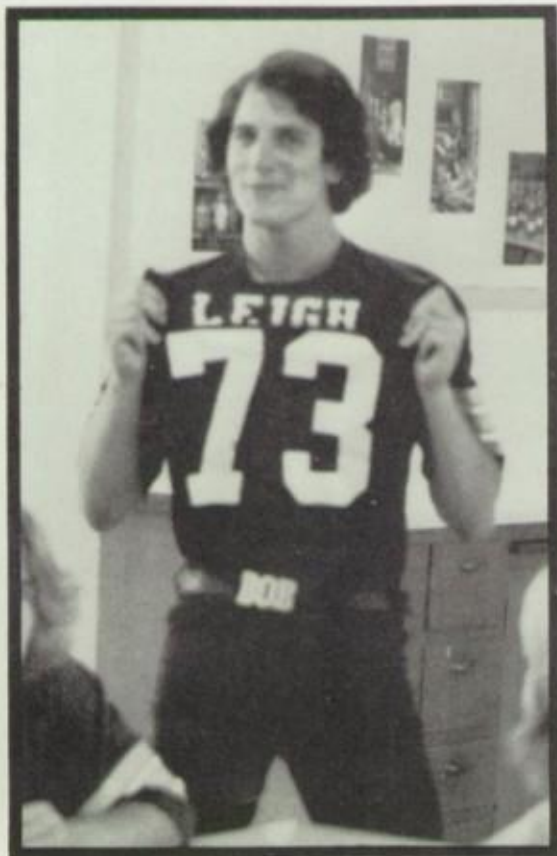

Their breed is rare; perhaps it has been mere chance or fate that this group of people was brought together.

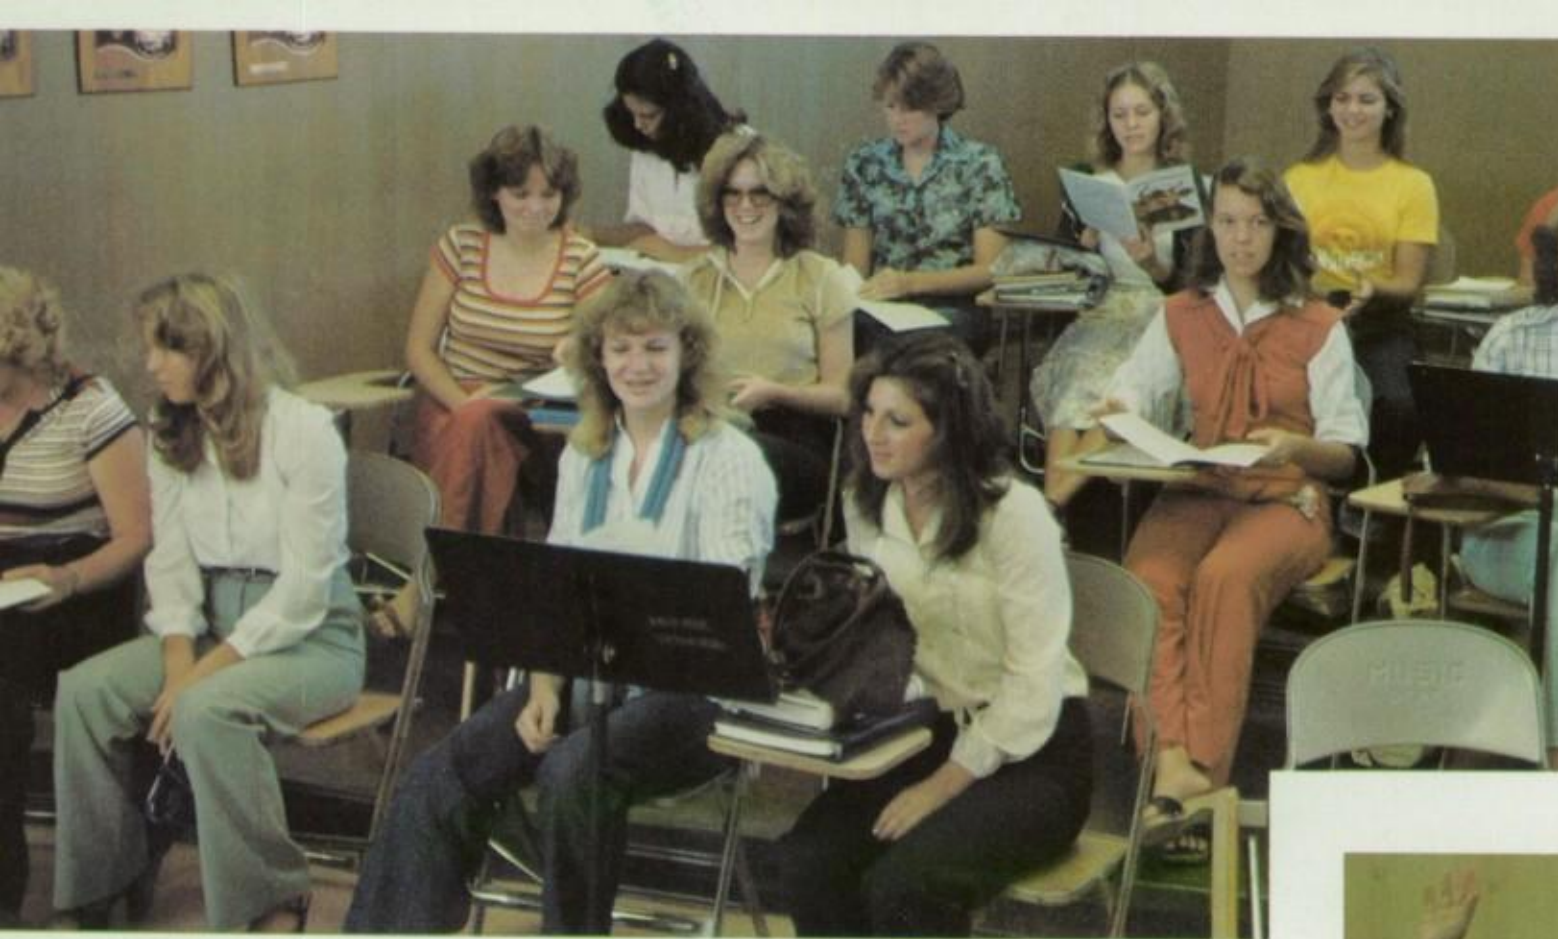

Yes, seldom is there a class whose spirit has ridden so high. Seldom has a school seen such an outstanding group of young men and women. And so, with all the respect and admiration it deserves in every facet of its accomplishments, and, so that, at least for the moment, these fine young adults receive the credit that they so much deserve, this year's **Vintage** is dedicated to the senior class of '79.

Rance Pow and Steve Henry

The years come and go so quickly; cherish each moment as an eternity, for one day you will look back on these times, and remember, and smile.

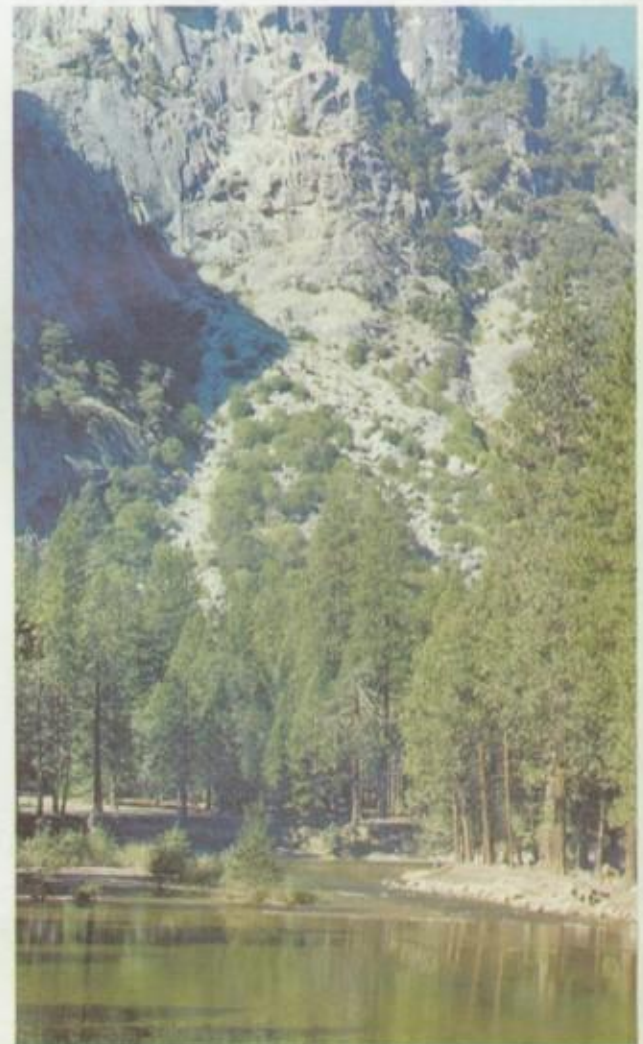

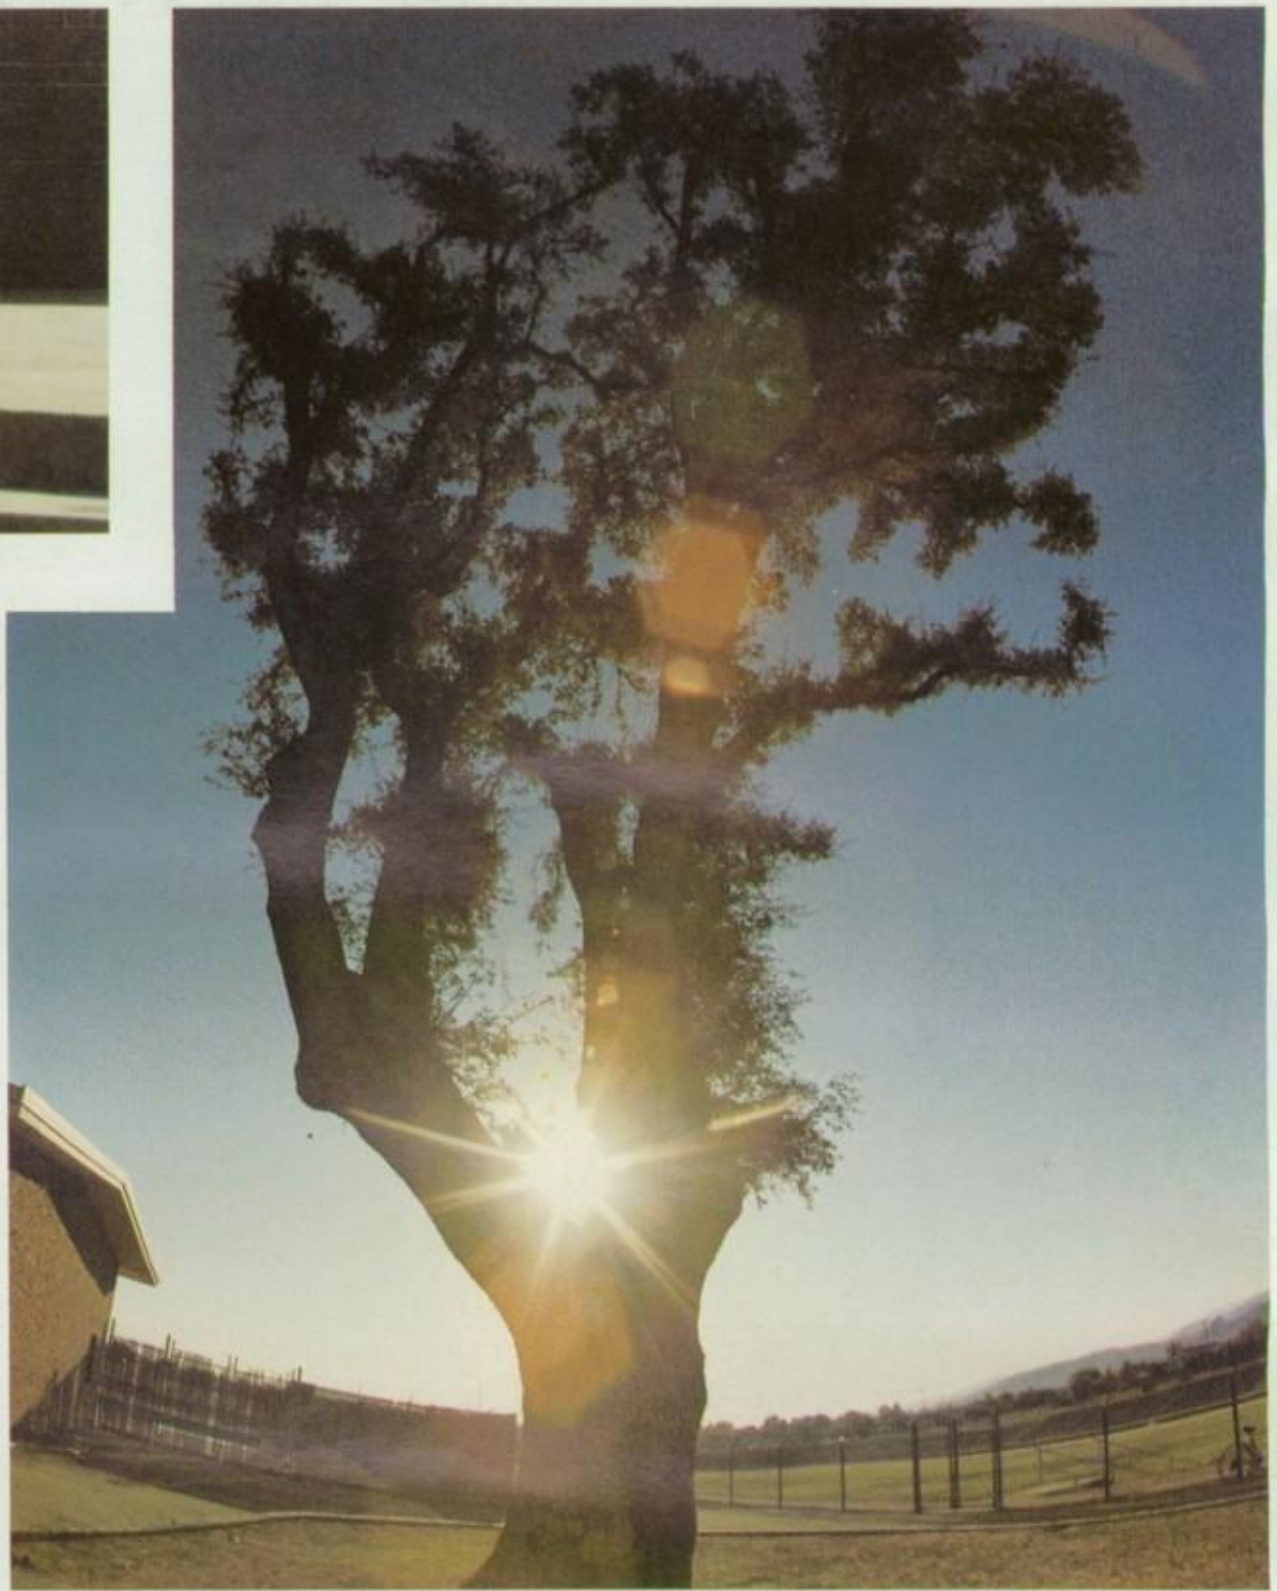

Rance Pow

And cheering,
shouting our name
Leigh High is
here to win
another game

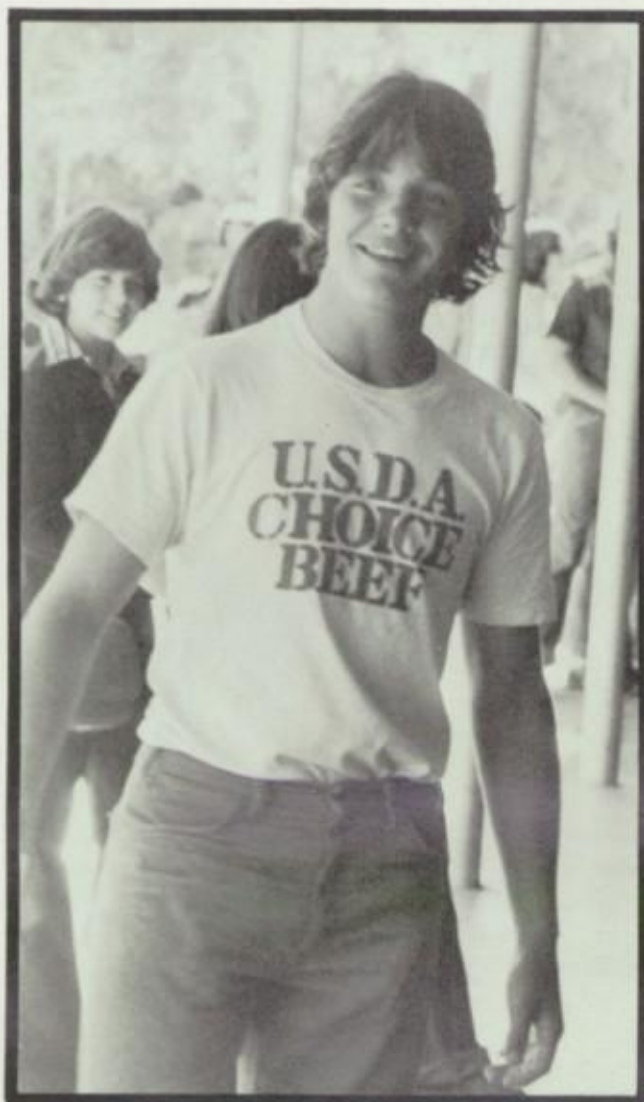

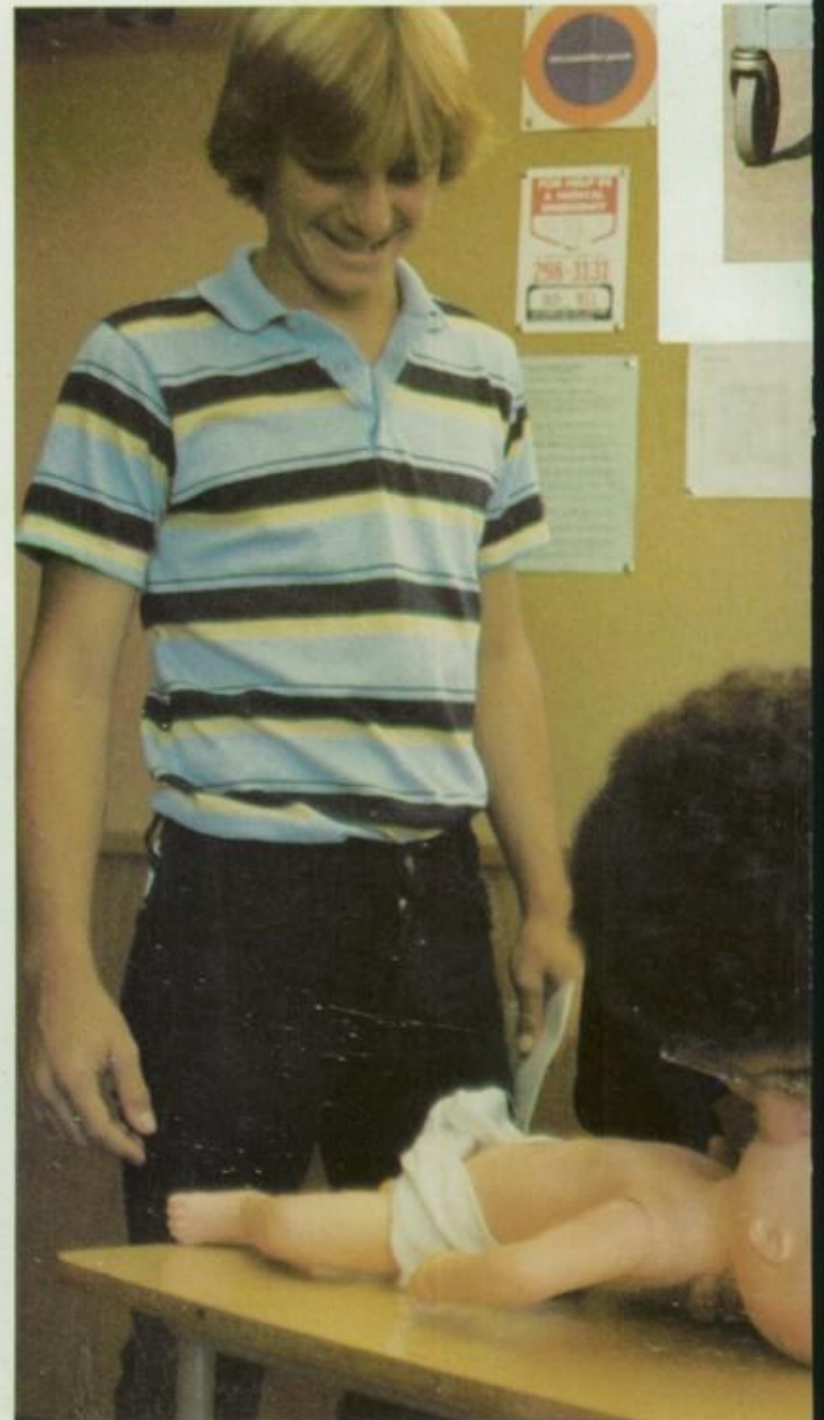

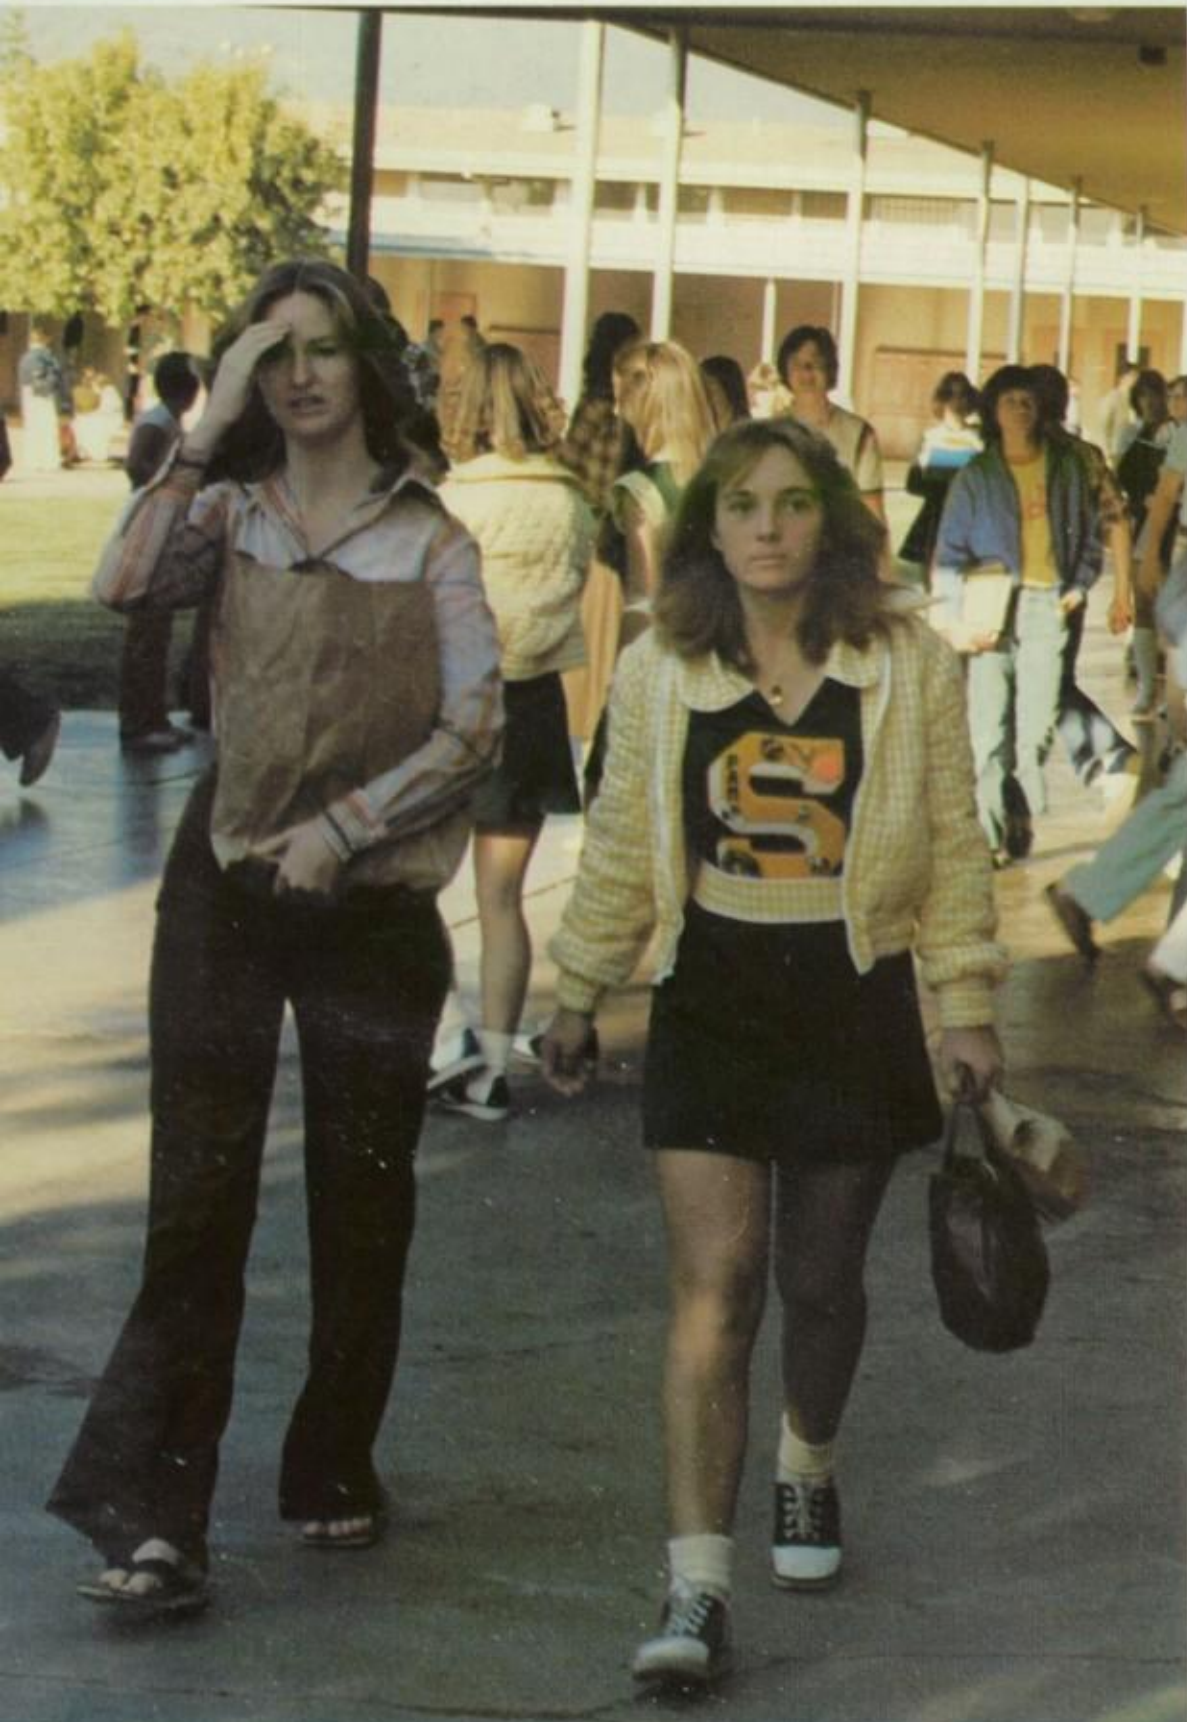

And when
the game
goes
down in
history

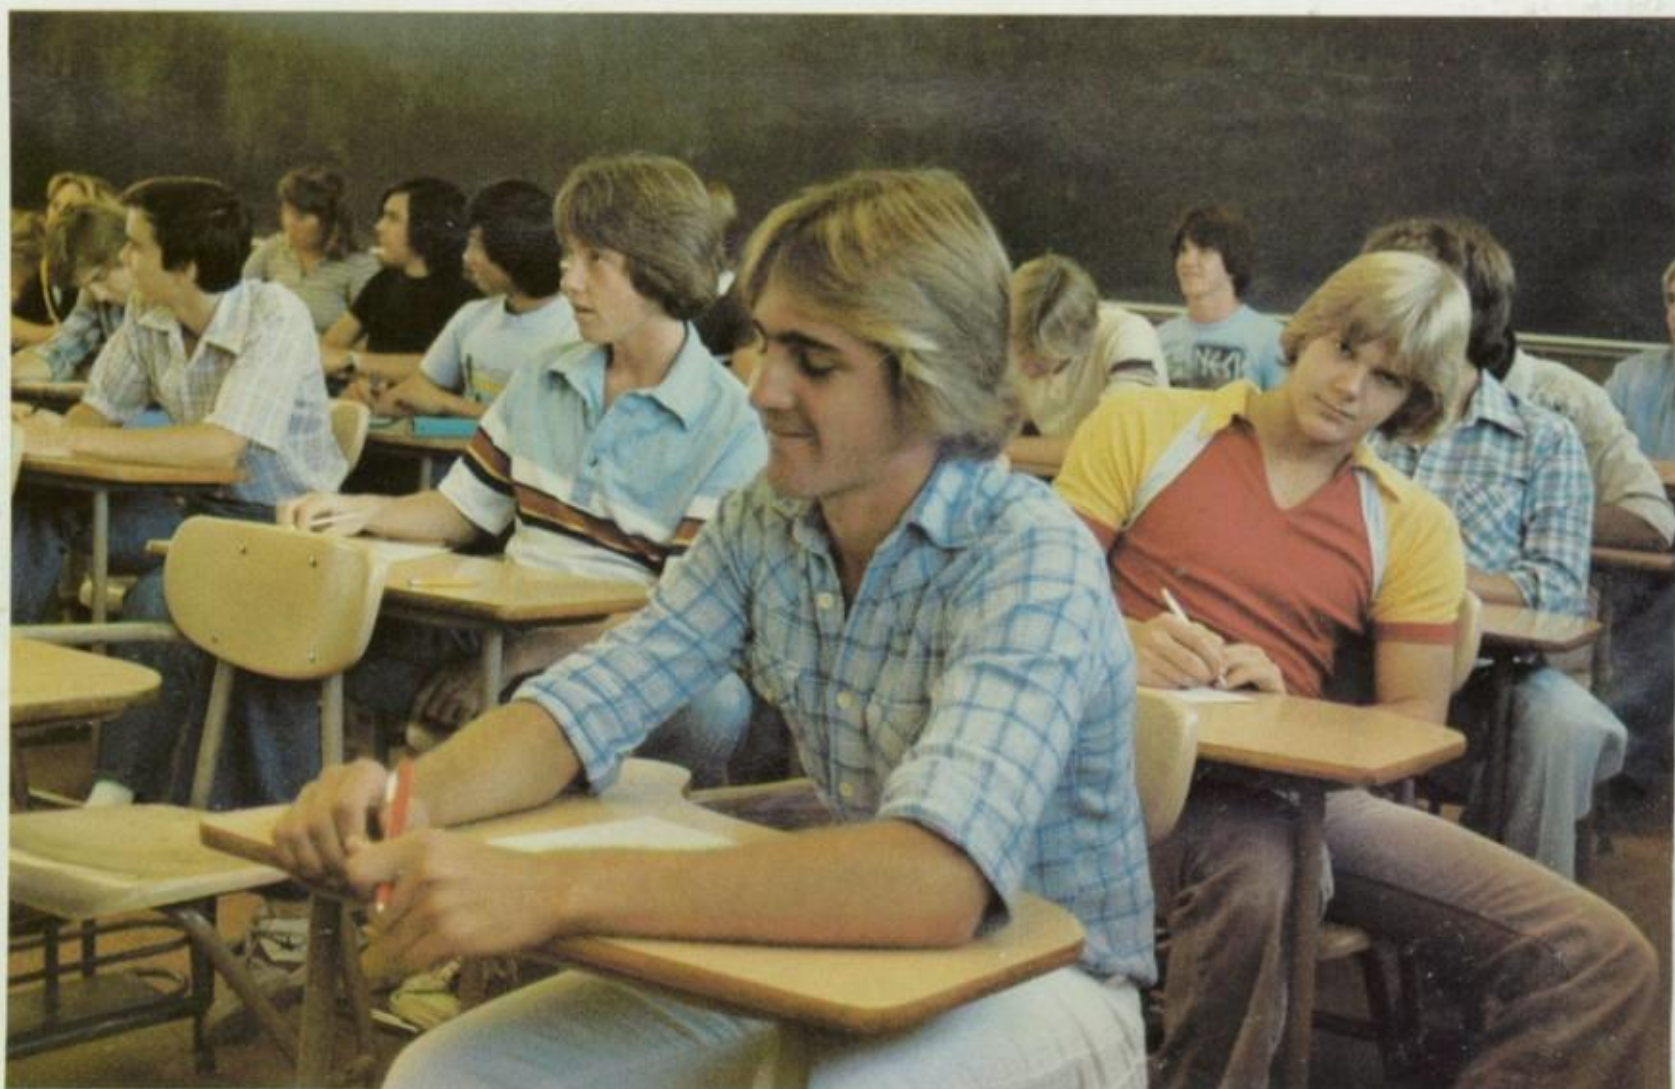

We'll
have
scored
another
victory

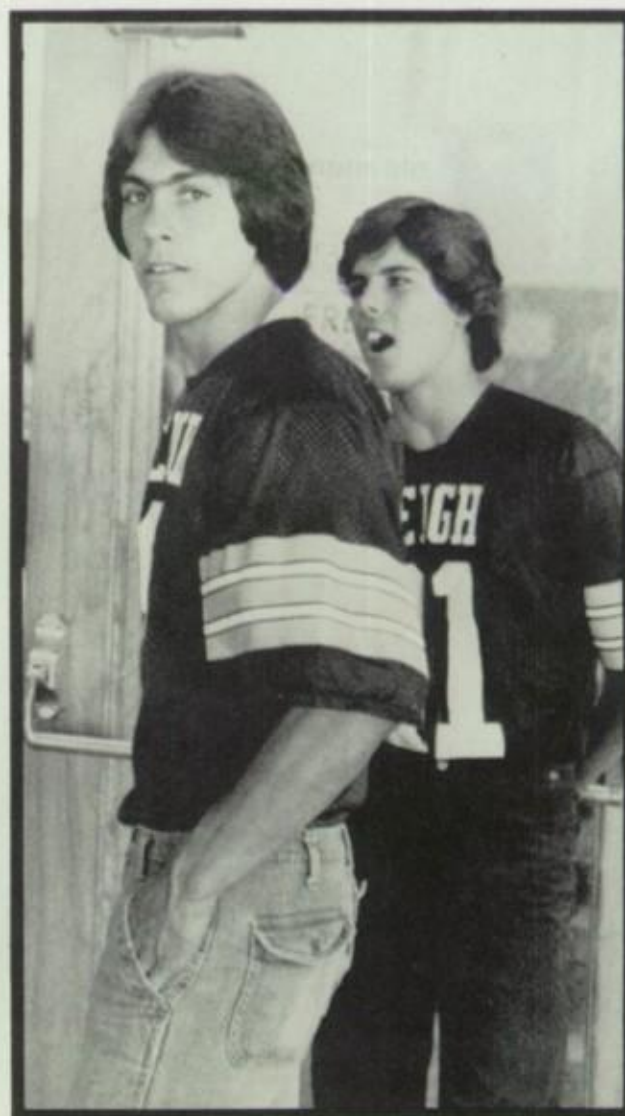

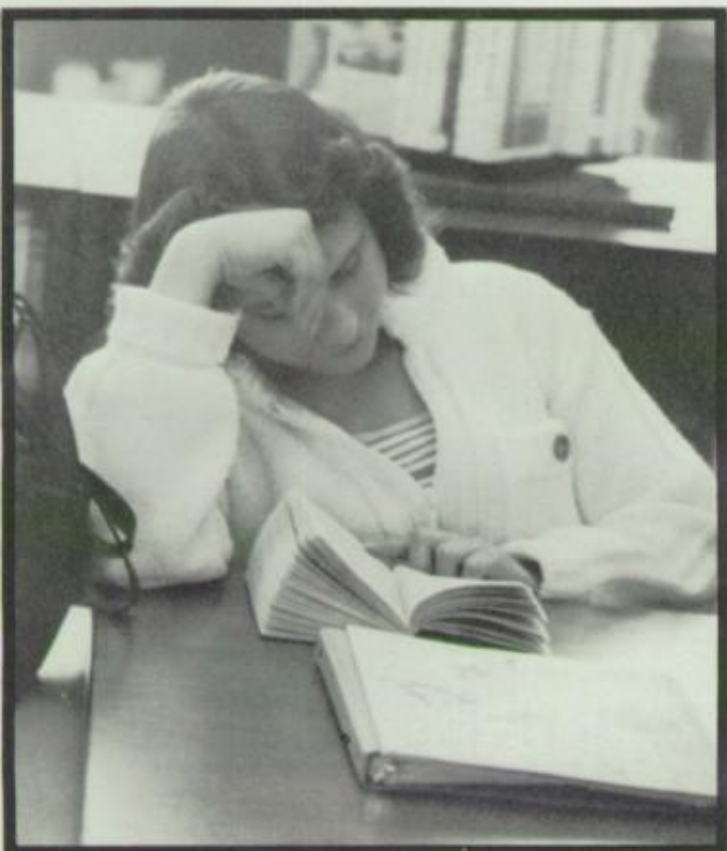

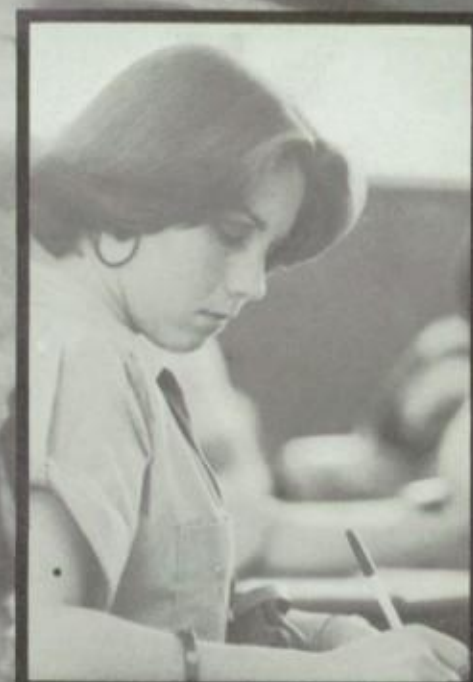

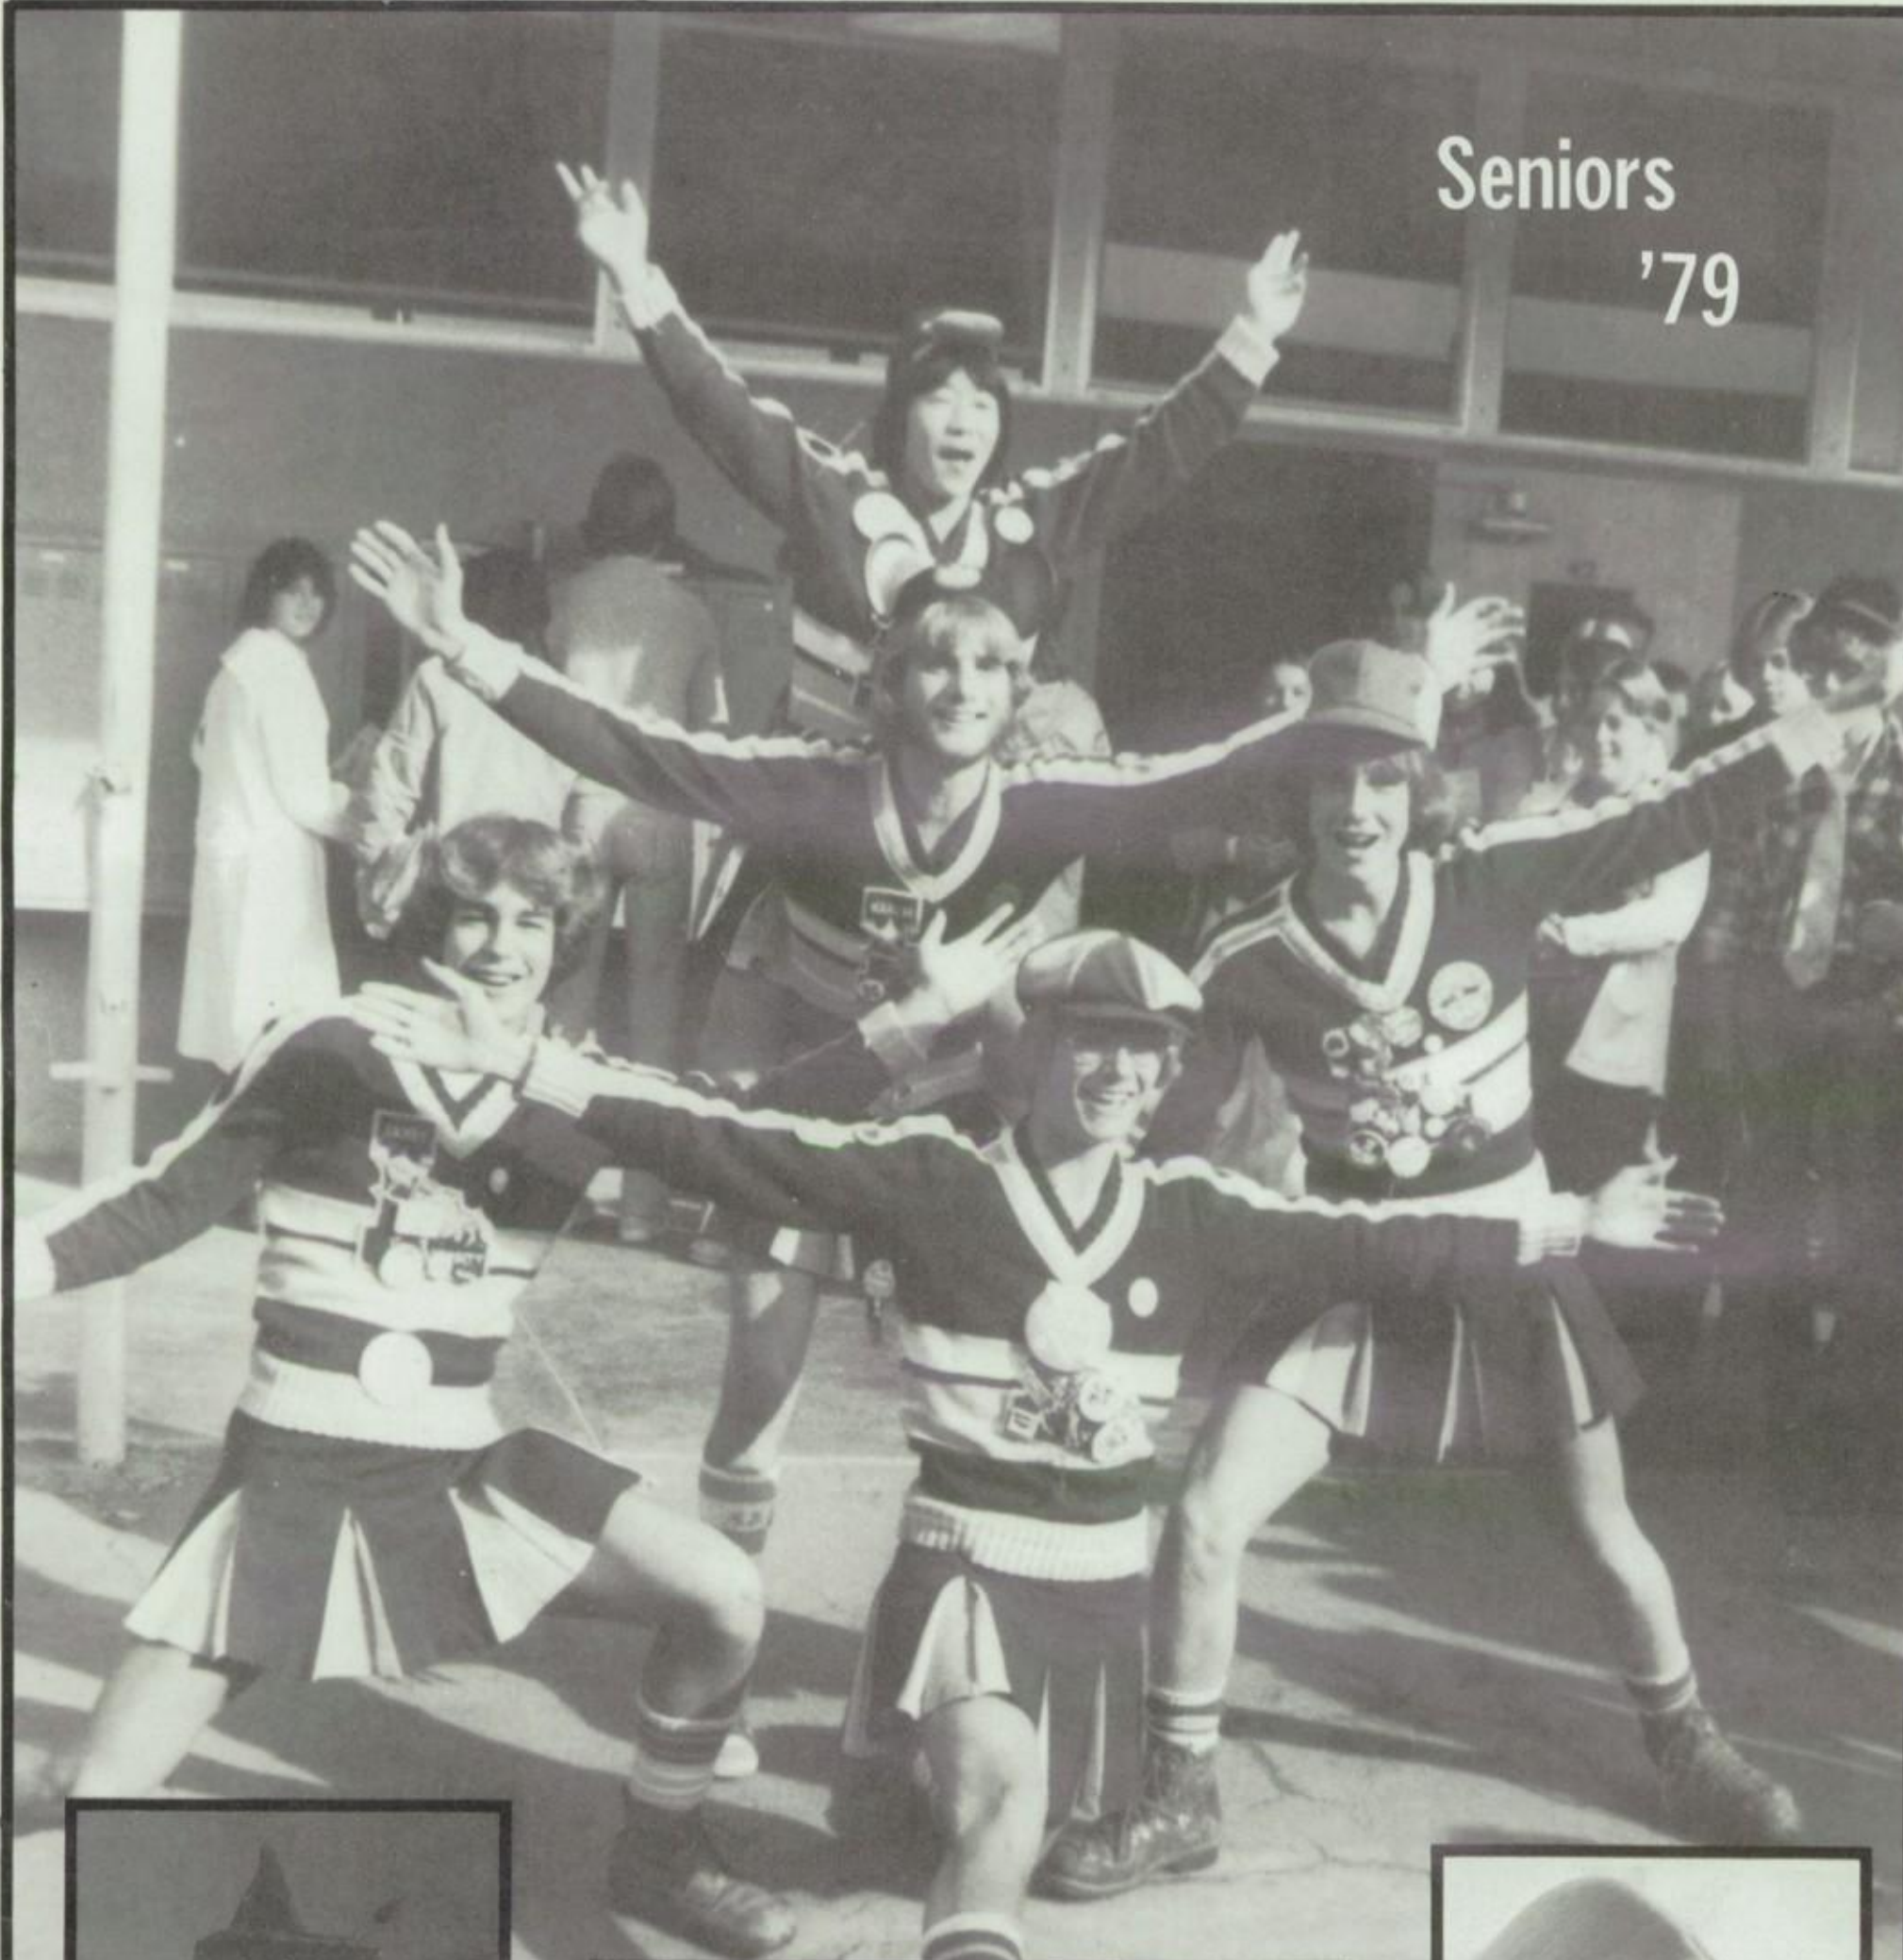

So Fight on
Leigh High
FIGHT! FIGHT! FIGHT!

your friends say they'll keep in touch.
but you know they won't.
your teachers say come back and see them.
and you know you won't.
maybe someday it won't matter.
but, right now, it hurts a little.

FOREIGN EXCHANGE

Hi, everybody!

I'm Ticiana Carvalho, an exchange student from Brazil. Coming to the United States has been a wonderful experience for me. I'm having so much fun! I have lots of friends, good teachers, and a great American family. I will really miss them all. I hope I will be able to come back someday. Thanks a lot!

Hi!

I'm Ismo Kruus, a foreign exchange student here at Leigh during the year 1978-1979. This year has been real special for me and one of the greatest in my life. It is a great experience to live one year with people who have a totally different background and learn a lot about them. I want to thank all those people who have helped me during this year; my teachers, all my friends, and last but not least, my great American family. See you around, especially if you would like to visit me in Finland.

Have fun. Moi!
Ismo

Hi, My name is Rhonda and my home country is commonly called that place "down under". (Australia). The past year has been filled with many wonderful experiences. Learning about the American culture and relating about my home and its lifestyle has been rewarding. Many thanks are due to my teachers, friends, and American family for helping me experience life "American Style".

Thanks for a great year. Best Wishes
Rhonda Bayles

I was very gratified with the overall performance of the longhorn cross country team. Our few teams finished in the following places in the WVAL: Varsity (3rd), JV (3rd), Sophomore (1st), Freshman (2nd), and Girls (1st). At the time of this writing, we should qualify the Frosh-Soph, Girls and Varsity Squads to the CCS and hopefully DO well. It was indeed a pleasure to coach this fine group of student-athletes.

At the start of each year the Vintage staff is faced with the challenge of trying to capture on film the events of the school year. I think that this year we've succeeded in capturing the spirit of Leigh. I hope that you enjoy this book as much as we have enjoyed putting it together for you.

This year we had a new advisor, Mr. Ron Bowen. Thanks for all of your help and patience. Wasn't it a fun year! Good Luck next year.

Putting together the different sections of the Yearbook is a demanding and time consuming job. For their effort, I would like to thank the people who worked on the different sections. They are Terri Hatzell, Kathy Evanoff, Hye Min, Janet Craycroft, Maurine Smith, Lisa Russo, Rance Pow, Steve Henry, Tim Seifert, Lisa Ramsey, Vicky Waite, Lauren Segal, Debbie Leach, Becky Haver, Gayle Rodriques, Lisa Inouye, and Bob Aldrich.

The quality of photographs in a yearbook is very important. I think that the pictures were excellent this year. For this I would like to thank all of the people who let us use their pictures or who helped develop pictures for us. They are Chris Johnson, Karen Smith, Dave Gabriele, Paul Brown, Dave Bethke, Lisa Russo, Ron Bowen, Ned Gault, Marcos Woehrmann, Joe Bailey, and Steve Henry. Thank you all very much.

I would also like to thank Mindy Delman, Mary McLaasic, and Sharon Dahl for all the time they spent typing out copy. Without your help we would have missed every deadline.

The cover of a yearbook is very important and special. I would like to thank Dave Eason for the work that he did on the cover. Because of his creativeness our yearbook is unique to our school.

Many thanks go to J. R. Myer for helping us out when we asked.

Thanks again to everyone who helped on this year's Vintage.

Editor 1979 Diana Struich

ONE AND ONLY YOU

Every single blade of grass
And every flake of snow
Is just a wee bit different
There's no two alike you know.
From something small, like grains of sand,
To that gigantic star,
All were made with this in mind:
To be just what they are!
How foolish, then, to imitate,
How useless to pretend,
Since each of us comes from a mind
Whose ideas never end.
There'll only be just ONE of ME
to show what I can do,
And you should, likewise, feel quite proud
There's only ONE of YOU.

Mike - it's hard
to say we'll
do a great year!
had a great year!
summer, well hopefully
we can be friends like
again a lot! Have a great
you a summer and maybe we can
do something together!
forever

Mike.
I want you to
know that ever since
I got together I've been
happy than I have ever been
before. I know we've had our ups & downs
but I love you more than I have ever loved
anyone. Whether you believe me or not. Your
special to me. I'm always thinking about you whether
we are together or apart. I'd like to write a love
letter to you. I would like to write a love
letter to you. I want to be with you forever and I know
it's possible. Time is on our side, please let's be careful how we use
it. It's so precious. I'll be yours forever. I love you
me :)

For My Love Michael E. Casey

My heart could not forget you dear
not even if it tried.

Because in my dreams you are forever
by my side

Because no matter where I go I see
your friendly face

And there is nothing else for me
Whatever time or space

I see you in the hours that are a
part of every day

And I can hear your voice reply to
everything I say.

I walk with you beyond the hills
and far into the night

And I feel your hand in mine
Whenever stars are bright.

My life was just an empty thing
until the day we met.

And that is why you are the one
my heart could not forget.

I love you,
me

you are giving my
special studies class
you are a great cute
girl. I hope you have
a great summer. Don't you
forget to let me
know. I'll be glad to sign
you. Love, Sammy Karels

PS You are a student.
I'll be right there getting
you all the help you need
for next year.

I want to keep on telling you that all I want is to be with you. I want to know things will work out. And I want you to remember that we can always work things out. No matter what there is always a way to make things okay. We can do it 'Love' no matter what we will make it. I love you! always me

Mike -

It's really
been a trip,
meeting you
that is. I
had a lot of
fun visiting
you with Bob.

I hope you
will teach me
now to play
baseball, (the
right way). Have
a good one, and
have one for me!

So have always

So-hows life? I'm really glad I

Dubble Andrew

Have always,

Case,
Well, another year
has gone by and we
are still talking to each
other. I'm just kidding
of course! This year
has been excellent
and I'm happy that we
have friends. We'll both
admit, this year has
been better in some ways
if you know what I mean
which I'm sure you do.
We've had a lot of fun
times together and I
hope there will be more
in the future. You're
a very special guy to me
Mike and I mean that
It's not just another
yearbook saying "To
always been there for
you and I hope
I'll like that always
I hope you have a far
tastic summer and I
hope to see you!

Mike,
Well, what can I say? I'm
really glad I met you this
year. You're a really sweet &
cute guy and you've got a lot
going for you. It's too bad that
things didn't work out between
us but at least we're still
good friends because that
means a lot to me. I had
a lot of fun at the junior Prom.
Thank you for taking me even
though we almost didn't get to
go. (Especially that is). I hope
everything between you and
Marion works out for the best.
Well I hope that you have a
great summer. Good luck next
year and make sure to keep in
touch!

Love, always,
Julie
